
Single Port Gigabit PoE/PoE+ Injector 30W with US Power Cord - DISCONTINUED SKU: XPE-2500

This product has been discontinued. It is recommended that you purchase the PI-25 as a replacement.

The Single Port PoE+ (Power Over Ethernet) Injector delivers both data and electrical power to PoE enabled devices using standard Ethernet cable. This eliminates the need to place devices (i.e. wireless access points) near a power outlet, allowing for greater AV installation flexibility, while also reducing AV installation and labor costs. PoE enabled devices may be placed up to 328 feet (100 meters) away from the POE Injector. Power Cord included in this kit. Your Ethernet cable is required.

Features:

- 802.3af/at compliant
- Delivers up to 30 Watts of power
- Gigabit Speeds (10/100/1000)
- Built in power supply

Specifications

Dimensions & Measurements	Shipping Dimensions	8.5" x 2" x 6.5" (215.9 x 50.8 x 165.1 mm)
	Shipping Weight	0.45 kg (1 lbs)
