

Crestron® UC Bracket Accessory for Tempo™ Flat Panel Wall Mount System **SKU: AS3A102**

Complete your AV system installations without having to drill more holes in the wall with this toolless bracket accessory to mount any Crestron® UC Bracket Assembly quickly and easily on to Tempo Flat Panel Wall Mount System deployments.

Key Features:

- Quick and easy installation. The Crestron UC Bracket Accessory hangs from the top rail of the Tempo FP Wall Mount System.
- Lateral shift allows you to position the Crestron® UC Bracket Assembly wherever you need it along the top wall plate mounting rail and hidden from sight behind side cover.
- Avoid drilling holes in walls and simplify mass deployment project installations for plug & play commissioning experiences.

**Crestron Flex Integrator Kit sold separately*
