

Pre-Drilled Pin Connection Column 72 Inch (182.9 cm) **SKU: CPA072P**

Chief's new CPA column system hosts many installation inspired features along with an aesthetic finish. Available in black and silver.

▪ **Dual Pin Connection**

- Connection is achieved by fastening two thread forming screws at each column end into factory pre-drilled holes.
- The fasteners do not pass completely through the center of the column enabling cable pass through

▪ **Flexible Inventory**

- Can be cut to length to customize your installation
- Can be re-drilled
- Can also be threaded to 1.5" NPT

▪ **Compatibility**

- Compatible with dedicated pin connection ceiling plates (see CPA Plates)
- Compatible with all Chief Ceiling Plates (see CPA261 and CPA262)

▪ **Professional Appearance**

- Grooves in outer surface of column provide an aesthetic appearance and also act as drill guides

▪ **Multiple Length Options**

- Ships in pre-cut lengths with 3 pre-drilled thru holes in each column end
