

Floor-to-Ceiling Clamp-Style Plate **SKU: CPA353**

An aesthetic solution that adds stability to locations where the ceiling or wall aren't able to support an installation. Provides the advantages of Fusion® ceiling mounts in a floor-to-ceiling form.

Larger clamp clearance area requires less precision when cutting pipe for an easier installation.

- 500 lbs (227 kg) of capacity per pole
- Support displays in portrait or landscape orientation
- Can use stacking displays
- Can use Fusion® ceiling single displays or back-to-back mounts
- Use with CPA or CMS columns (CPAE in the EMEA region)
- Can use at floor and ceiling for floor-load-bearing assemblies
- Use standard ceiling plate at ceiling for ceiling-load-bearing assemblies
