

Proximity® Component Storage Panel Under Table **SKU: CSPH**

The CSPH Provides storage near the action while eliminating the mess of components and cables underneath conference room tables and desks. With over 350 square inches of secure attachment area, it's perfect for ensuring efficient and consistent component placement over large rollouts because it allows installers to populate the panel easily at an on-site or off-site staging area (instead of under each desk) and, once installed, the CSPH pivots 90° to allow access in vertical position (instead of fighting gravity). There are 1/3 and 2/3 breakaways in case less space is required, and because the brackets are sold separately, none of the product goes to waste.

Active Mounting Area: 14" x 25.5" (357 sq. in.); 35.5 x 64.8 cm (2258 square centimeters)

Minimum Depth: 1.15" (0.6" without wall brackets); 29 mm (15 mm without wall brackets)

Specifications

Dimensions & Measurements	Depth	1.15
	Height	27.31
	Overall Dimensions	27.31 x 14.40 x 1.15" (693 x 366 x 29 mm)
	Shipping Weight	4.63 kg (10.2 lbs)
	Weight Capacity	20 lbs (9.07 kg)
	Width	14.4
Characteristics & Features	Accessory Type	Component Storage
	Application	Under Table
	Color	Black
	Mounting Method	Under Table
	Solution Type	Storage Panel
	TAA Compliant	No
	UPC	841872170930
