

Kontour™ K3 Grommet Mounted 2x2 Array - K3G220B **SKU: K3G220B**

Flexibility meets form and function with the Kontour™K3 series of elegantly designed static multi-monitor array mounts from Chief.

K3 products provide an aesthetic, stable solution for use in a variety of multi-monitor applications: call centers, control rooms, financial services, gaming, health care, IT, security desks, and others.

Most K3 series configurations are available as free standing or grommet/bolt through mounts. The KRA500 Desk Clamp accessory is also available for most K3 series array mounts.

- Flexible multi-monitor array mounts available in configurations from dual up to six displays
- Products ship largely pre-assembled for fast installation
- Tool-free integrated cable management
- Independent height, pan, & tilt adjustment of each display for flexible monitor positioning
- Free-standing or grommet mounting styles, with optional desk clamp accessory
- Streamlined modern aesthetic
- Majority of Kontour™ K3 products are TAA-compliant
- Equipment Width Range: 29.3in max monitor width
