

Video Conferencing Camera Shelf - 9 Inch - PAC715 **SKU: PAC715**

The PAC715 supports a video conferencing camera above or below the display. Camera shelf provides support for installing a camera above the display using both the 14 x 14" (P-series) and 200 x 200 mm (M - Series) Q-Latch systems, or below the display using the 14 x14" system.

- Great for boardrooms and other video conferencing applications
- Compatible with all Chief carts and stands, swing arm mounts and ceiling mounts that use a 14 x 14" or 200 x 200 mm Q-Latch system*
- Camera shelf provides support for installing a camera above the display using both the 14 x 14" (P-Series) and 200 x 200 mm (M-series) Q-Latch systems, or below the display using the 14 x14" system.*
- Maximum Screen Heights are: 41.2 with P series products, 38.5 with M series products
- TAA Compliant

*If you would like to place the camera below the display using the 200 x 200 mm Q-Latch system, use PACCS1 Large Shelf Accessory.
