

Back-to-Back Flat Panel Bolt-Down Mount | Legrand AV Brands **SKU: PFB2UB**

This small-profile bolt-down solution for displays is great for storefront, digital signage applications. The Q-Latch mount allows for quick changes between portrait and landscape, post installation leveling roll and tilt. The center of the display can be placed between 51.38 to 85.38" (1305 – 2169 mm) from the floor.

- Small 8 x 8" (203 x 203 mm) footprint
- Centris Technology provides effortless, fingertip tilt of +/- 15
- Screen angle stays set in place until you decide to re-adjust
- Height adjustment without tools between 51.38 to 85.38" (1305 – 2169 mm) from the floor
- ClickConnect Technology provides an audible click to confirm that the flat panel is locked in place
- Offers quick connect/disconnect with no tools necessary
- Includes integrated security with the addition of a padlock
- Screen can be installed in portrait or landscape orientation (PAC400 accessory can be used to rotate without removing the screen)
- Integrated cable management to hide cables out of sight
- Supports both portrait and landscape orientations
