

IDS10 SERIES

Universal Indoor Floor-
Standing Kiosk

The IDS10 series is a line of universal indoor digital kiosks designed to accommodate most professional displays available on the market. Compatible with screens from 32" to 65", IDS10 is a versatile solution for digital signage, information points, and self-service applications in high-traffic indoor environments. With its modern, minimalist design, the IDS10 kiosk blends seamlessly into contemporary interiors while remaining intuitive and comfortable for everyday user interaction. The display area is positioned at an optimal viewing height, ensuring excellent visibility and easy access to information.
