**! IMPORTANT SAFETY INSTRUCTIONS**

**! WARNING:** A WARNING alerts you to the possibility of serious injury or death if you do not follow the instructions.

**! CAUTION:** A CAUTION alerts you to the possibility of damage or destruction of equipment if you do not follow the corresponding instructions.

**! WARNING:** Failure to read, thoroughly understand, and follow all instructions can result in serious personal injury, damage to equipment, or voiding of factory warranty! It is the installer's responsibility to make sure all components are properly assembled and installed using the instructions provided.

**! WARNING:** Failure to provide adequate structural strength for this accessory can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the structure to which this accessory is attached can support five times the combined weight of all equipment. Reinforce the structure as required before installing the accessory.

**! WARNING:** Exceeding the weight capacity can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the combined weight of all components located attached to the FHB5174 accessory does not exceed with weight capacity of the mounting system to which it is being attached.

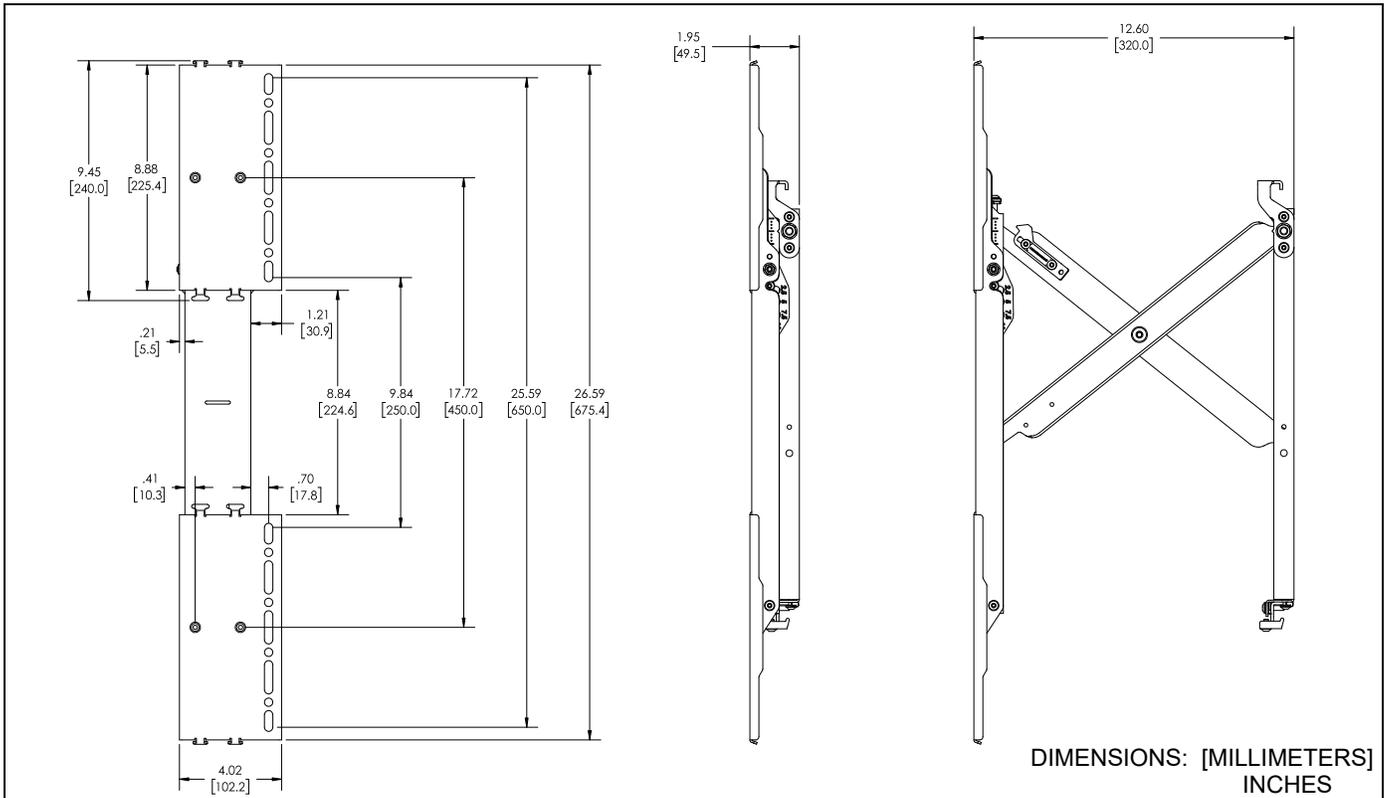

**! WARNING:** Use this accessory only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.

**! WARNING:** Never operate this accessory if it is damaged. Return the accessory to a service center for examination and repair.

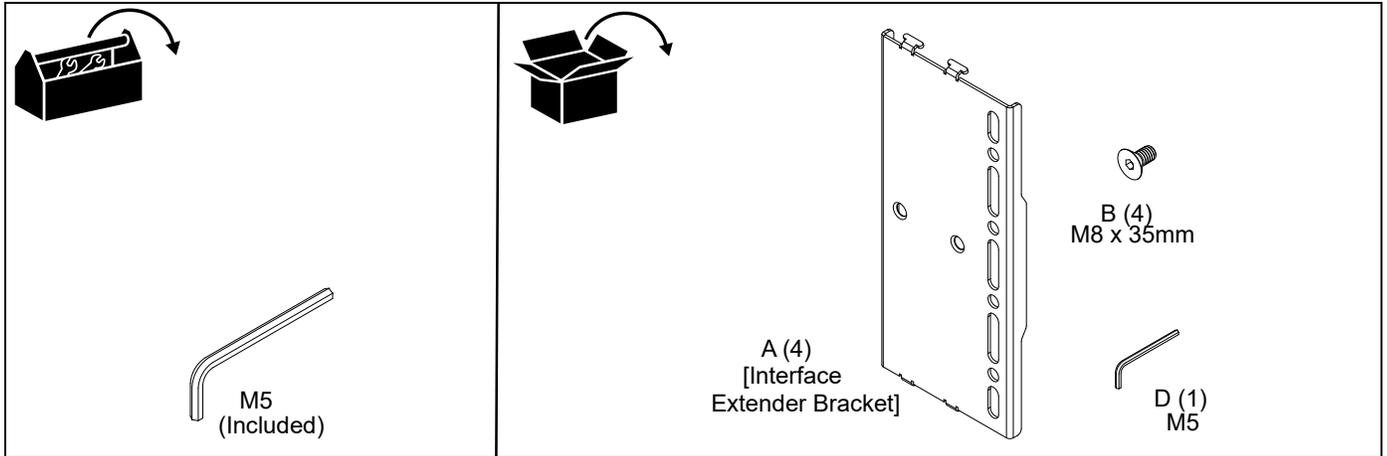

**! WARNING:** Do not use this product outdoors.

**--SAVE THESE INSTRUCTIONS--**

**DIMENSIONS**

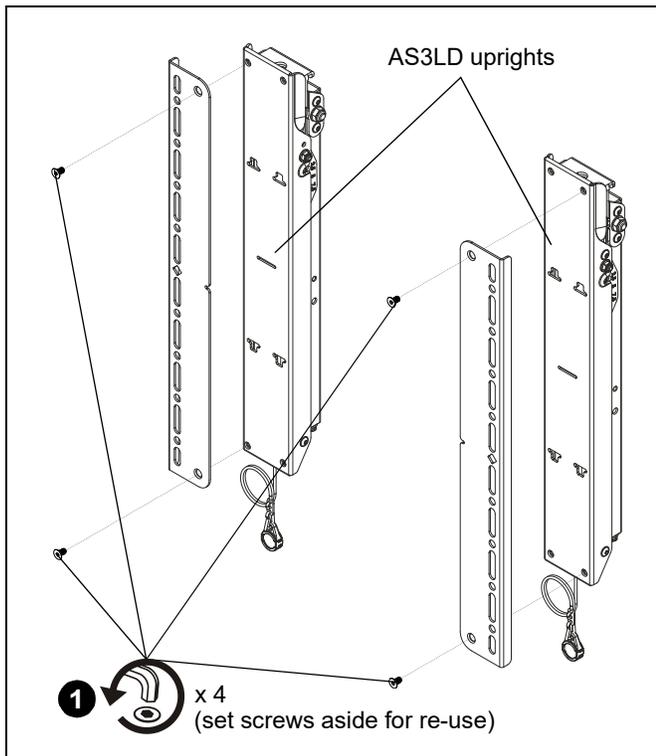

**TOOLS / PARTS FOR INSTALLATION**

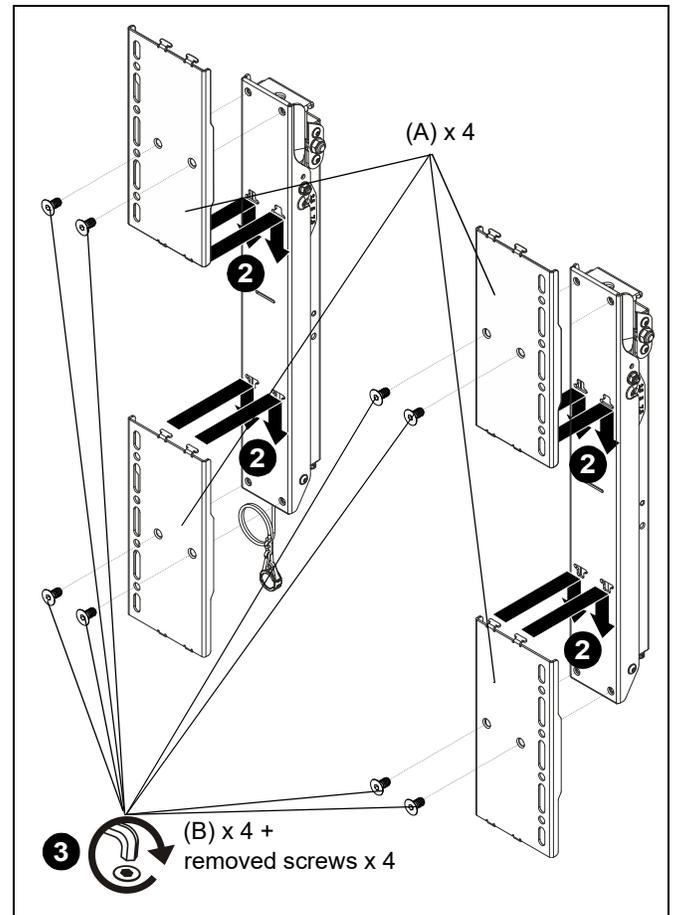

**ASSEMBLY AND INSTALLATION**

**IMPORTANT ! :** The FHB5174 extender brackets were designed to increase the length of AS3LD or FPIWM Series uprights. Do not use with any other type of mounting system.

1. Disassemble AS3LD uprights by removing four flat head screws holding uprights together. Set screws aside for re-use. (See Figure 1)

**Figure 1**

**Figure 2**

2. Insert extender brackets (A) into slots on AS3LD brackets. (See Figure 2)
3. Use four screws removed in Step 1 and four #10-24 x 3/8" flat head cap screws (B) to secure extender brackets (A) to AS3LD brackets. (See Figure 2)

4. Connect extender brackets (A) to back of display following AS3LD or FPIWM Series installation instructions using hardware supplied with mounting system.
