

EasyIP PCC

FOUR CAMERA JOYSTICK CONTROLLER

999-57755-000
(worldwide)

OVERVIEW

Seamlessly integrate with your new or existing EasyIP system to control up to 4 EasyIP cameras. EasyIP PCC provides production-grade control for smaller studios or cost-conscious environments. Pair it with the Vaddio Device Controller for expanded control features. The EasyIP PCC is PoE+ powered and can be used with a managed network switch like those from Luxul. A preconfigured EasyIP Switch can be purchased as a standalone item or as part of an EasyIP Base Kit.

EasyIP PCC elevates your video production with precision and ease while only requiring a minimal desktop footprint. The simple joystick enables users to master camera movements and add production value to any video event. Upgrade your productions to the next level with Vaddio's latest EasyIP control technology.

FEATURES

- Three-axis Hall effect joystick
- Precise PTZ and preset control of up to four EasyIP cameras
- Sleek, steel chassis with soft feet for stability on any surface
- HDMI output displays decoded IP stream video from the selected EasyIP camera
- Kensington Security Slot for peace of mind
