· IR to RS232 signal for remote control in front of the video wall, easy and convenient

· One key turning the whole video wall on or off, or switching the signal source synchronously

· Compatible with Dahua all series LCD video walls, one device can control up to 16 display units

Technical Specification

Model

Model	DHI-LS-HW

General

Signal Interface	IR(3.5mm)×1, RS232 in×1, RS232 out×1	
Accessory	IR cable×1, power adapter×1	
Power Supply	DC 12V	
Power Consumption	≤5W	
Net Weight	0.37kg(0.82Ib)	
Gross Weight	0.42kg(0.93Ib)	
Device Dimension (W×D×H)	126.4mm×69.3mm×31.0mm(5.0"×2.7"×1.2")	
Package Dimension (W×D×H)	170mm×166mm×65mm(6.7"×6.5"×2.6")	
Working Environment	Temperature	0℃~+50℃
	Humidity	10%RH~90%RH
Compatible LCD Video Wall	Dahua all series
