

Introduction

The Atlona **AT-GAIN-VOL** is a volume control wallplate for use with the AT-GAIN-M50-LZ mixer amplifier. It provides a convenient, easy-to-use manual interface for controlling audio levels of the amplifier. Volume control range is from no audio (mute) to maximum output level. The GAIN-VOL is housed in a US one-gang enclosure intended for wallplate openings and includes interchangeable black or white trim kits.

Applications

- Classrooms and meeting spaces where easy-to-use control of audio levels is needed and not handled by a separate control system.

Key Features

- Volume control wallplate for use with the AT-GAIN-M50-LZ mixer amplifier.
- Provides easy-to-use manual audio level control for the amplifier when a control system is not in use.
- Volume control range is from no audio (mute) to maximum output level.
- 3-pin captive-screw connection for interfacing with the amplifier.
- US one-gang enclosure for wallplate openings.
- Interchangeable black or white trim kits included.

Specifications

Connectors		
Control	1 x 3-pin, 3.5 mm, Euroblock	

Wiring	Feet / Meters	
Distance	200	60
Gauge (AWG)	28 - 16	

Controls	
Volume knob	1 x Potentiometer, logarithmic, 10 kΩ

Environmental	Fahrenheit	Celsius
Operating Temperature	+32 to +122	0 to +50
Storage Temperature	-4 to +140	-20 to +60
Operating Humidity (RH)	20% to 90%, non-condensing	

Dimensions	
Unit	1-Gang

Weight	Pounds	Kilograms
Device	0.97	0.44

Certification	
Device	CE, RoHS, FCC

Compliance	
NDAA-889	Yes
TAA	Yes

Warranty	
3 years	View the full warranty information here: https://atlon.com/warranty
