Dividable floor stand to assemble a video wall without any tools. No tools needed for assembling. The perfect rental product.

Floor stand for a video wall of 3 stacked flat panels of max. 55 inch per piece. The quick release feature allows you to install the floor stand and screen on any location without tools.

The floor stand consists of two vertical columns, each with front and back covers. Each column has 3 separate cable passages allowing a separate passage of power, audio and data cables.

The presentation height of the flat panels are adjustable. This floor stand is suitable for flat panels with a maximum screen size of 55 inch.

- ▲ **No tools required for installation**
- ▲ **Easy to connect multiple floor stands to create a video wall**
- ▲ **3 separate cable channels per column**
- ▲ **Suitable for all brands of flat panels**
- ▲ **Landscape and portrait orientation of the screen**
