It's great to have solutions...

FACT SHEET

FWM-V400

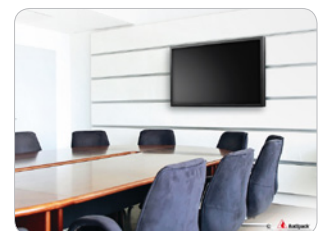

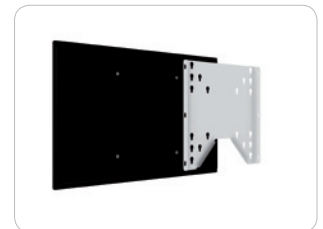

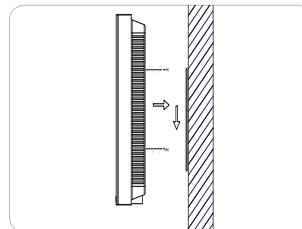

Ultra thin wall mount for very thin LED screens with VESA 200, 300 and 400 mounting interface.

The ultra thin wall mount is a safe and flexible solution for installing thin LED screens to the wall. The choice of several different VESA patterns make the mount extra universal.

With the standard supplied mounting materials the screen is very easy mounted on to the wall mount.

- ▲ ***Ultra thin wall mount***
- ▲ ***Flat panel mounting materials included***
- ▲ ***Easy flat panel installation***
- ▲ ***No theft delay***
