

Fixed/Flat VESA Wall Mount for 15" Plus Screens

FVWM-15

The Mimo flat wall and glass mounts are perfect for both any office or industrial installation.

Display and Tablet Fixed/Flat VESA Wall Mount for 15" plus screens

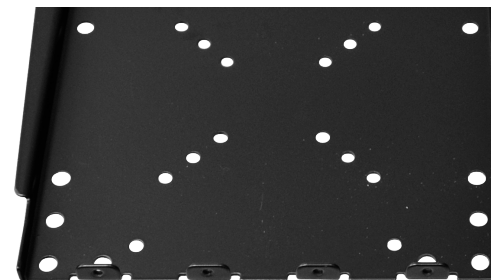

This flush wall mounts provide an elegant finish that streamlines your screen seamlessly with the decor of the room. It securely supports flat screens weighing up to 66lbs (30kgs) just 0.6-inch (15.5mm) from the drywall, offering slim line mounting solutions that are almost flush to its surroundings. This space-saving design is ideal for displays where screen movement is not required. Installation is quick and easy and compatible with a wide variety of products or tablets with 75mm x 75mm (3-inch x 3inch) or 100mm x 100mm (4-inch x 4-mch) VESA mounting hole patterns. The screen can easily be removed and changed but is still protected against theft with a security screw. Works with all Mimo monitor screens which are VESA-compatible.

Features:

- Mounting hole pattern (mm): 75x75; 100x100, 200x200
- Mounting options: drywall wall or wood studs
- Space saving design is ideal for displays where screen movement is not required
- Screen can be easily removed and changed but is still protected against theft with a security screw

Applications

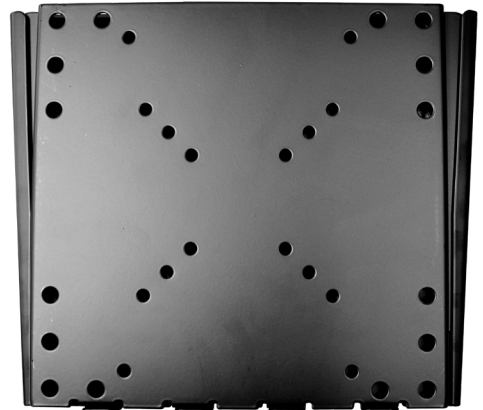

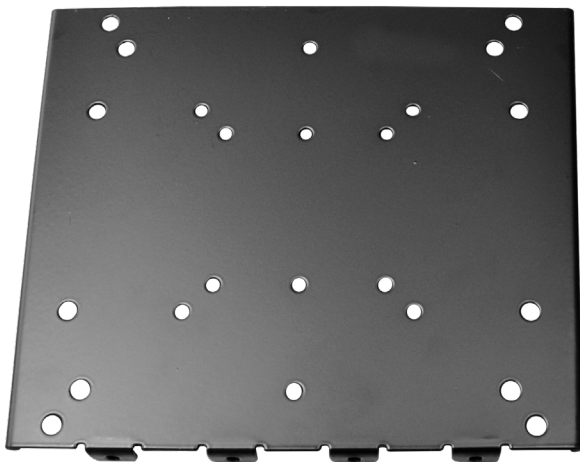

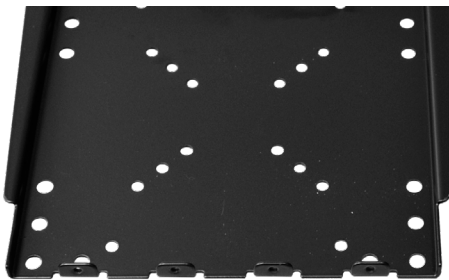

- Any location with drywall construction.
