

# CAB-USBC-T100A

SKU 13740016

1 m long USB Full-Featured Type-C cable for USB 3.1 Gen2

## Details

This Type-C to Type-C USB cable offers data speeds up to 10Gbps and allows users to connect their laptop or other devices to Lightware’s USB-C compatible extenders and switchers. The cable’s length of 1m is ideal for most meeting room and presenter’s desk applications.

The cable proved itself to work with great efficiency with our new USB-C capable **Taurus UCX** as well as with various source devices. Its reliability, build-quality and technical parameters make this accessory our number one choice for projects involving USB-C connectivity.

## Highlighted features

- 100Watt / 5A charging and eMarker (Fast Charging of Laptops, tablets and phones)
- Supporting peripherals via USB 2.0 up to 480 Mbps (Mouse, Keyboard, Thumb Drive, Speakerphone and Webcam)
- USB 3 Gen2 10Gbps “SuperSpeed” (4K Webcam, SSD storage)
- 4 Lane Displayport Alt mode (4K60FPS Video and Audio)
- Connector dimensions according to standard. No bulky repeaters along the cable.
- 10.000 Mating Cycle
- 75µ Gold plated contacts
