solutions

Video conference solutions

Communication was never easier than with the Audipack videoconferencing solutions. Furniture, camera drawers, camera lift systems for every situation ideal solution

Audipack®

It's great to have solutions...

VIDEO CONFERENCE SOLUTIONS

Let's

Communicate...

...with an Audipack video conference solution. Audipack video conferencing solutions are a great addition to your boardroom.
The video conference furniture

VCF-SL series: A slim and solid furniture available for 1 or 2 screens and 1 camera. Equipment is easy installed behind the removable rear panel, internal cables can be neatly organized.
Included:

Camera mount	Codec mount	Equipment mount

Optional:

Soundbar mounting brackets, (below screen installation)	19" codec mounting set	Passive Audipack sound bar (in cabinet installation)

The video conference floor stands

These versions are based on the standard 700 and 900 series floor stands (700 series page 16 and 900 series page 28).
Besides the fixed models, there are quick release models available that are ideal for rental purposes.

The video conference camera lift systems or drawers

Perfect solutions for installing and hiding cameras in furniture or a wall. With a push of a button the camera silently reveals itself.
▲ *Suitable for any brand flat panel, camera and codec*
▲ *Modern and timeless design*
▲ *Generous access by removable rear panel to all the equipment (VCF-SL)*
▲ *Custom solutions available on request*
