It's great to have solutions...

FACT SHEET

FSW-ATLAS

The easiest way to set up your mobile presentation.

The Audipack FSW-Atlas trolley is an all-in-one trolley with invisible integrated audio in the column.

In addition, there's also a 3-fold power strip integrated for connecting the monitor and optional equipment.

In the wheel frame of the trolley you will find a PowerCON power connection, HDMI, UTP, and space for extra connections.

With a Lock & Secure 5 mounting bracket, the screen is easily installed. The screen height is adjustable in several different positions.

For installing additional equipment such as mini pc's and wireless presentation equipment, Audipack provides several brackets, even with integrated power distribution.

- ▲ **Lockable wheels**
- ▲ **Easy equipment installation**
- ▲ **Powercon power, HDMI and VGA in wheelframe**
- ▲ **Integrated 3-fold power strip F, CEE 7/4**
- ▲ **Portrait or landscape flat panel positioning**
- ▲ **Integrated passive audio**

Built-in speakers
