

Permanent presentation solution with integrated audio.

The CTF-Atlas is a unique ceiling to floor solution for your flat panel up to 65 inch.

The vertical column of the CTF-Atlas is equipped with a 2 x 30 watt speaker.

A LED screen can be installed with the L&S5 mounting interface and with an equipment holder EC-1 or EC-1AC (optional) a Mac mini, mini PC or Barco Click- Share mini can be applied.

The CTF- ATLAS is manufactured to order and custom-made to the desired ceiling height.
